FOREWORD

The Yell-O-Jak staff is happy in presenting to the students of Gibsonville High School this true-to-life record containing potent facts and photographs of the past year's activities.

Through a capable and persevering administration, we feel, this year, that we have attained social, scholastic, and moral developments never before achieved by the students of G. H. S.

We have striven to make these records so vivid that those who have had a part in producing them will ever cherish and remember each accomplishment.

DEDICATION

To show our appreciation for their interest and timeless efforts, we, the Senior Class of 1949, dedicate this issue to Mrs. R. H. Wynne, our class sponsor, and Mr. Gerald D. James, our principal. Underlying the past year's accomplishments and improvements was the force of leadership, straightforwardness, and initiative that was originated and developed by their combined qualities, capabilities, and humane characters. Because of their guidance, we feel that we are christened potentialities, better prepared to travel the road of life and overcome the handicaps, snares, and pitfalls of a complicated world.

It is with grateful thanks that we devote these last records to these two great personages who have had a decided hand in making our up-to-the-minute success possible.

CLASS HISTORY

In the fall of 1945 a new group of eager, ambitious freshmen entered Gibsonville High School. With thoughts of six different classes, "oodles" of teachers, and freshmen rights, we began our high school career. Some of the boys began their sports careers by playing basketball and baseball. That was the beginning of four long, thrill packed years for those sportsminded boys. The girls (which we musn't forget), along with the "fellows," soon began to feel at home with their upper classmen. As the year progressed, and the "mighty hands" of Principal H. S. Shepherd, Mr. Colon Hancock, and Miss Irene Meador proved invaluable to us—sixty-six to be exact—"green" Frosh. We adjourned in the Spring, eagerly awaiting the next year.

After a very pleasant summer we entered our second year, confident that all traces of "greenness" were gone. We girls felt very lucky indeed when we were given Miss Lannie Mc-Intyre, a new home economics teacher, along with Mr. H. S. Bowling to instruct the boys in trades and industry. Sports were again enjoyed by both boys and girls. The fairer sex gained much pleasure by becoming the first Future Homemakers of America. The class as a whole felt proud as different members were elected into the Beta Club, Monogram Club, and F.H.A. Club. Our class was now much smaller with only forty-six students. Mercifully we all sweated through Julius Ceasar that year. As the year moved to a close, we marvelled at our great success under the leadership of Jake Overman, president; Billy Earl Overman, vice-president; and Sue Haley, secretary-treasurer.

Our third year opened with a bang with all members of the previous year present. As "second best" Juniors our thoughts turned to class rings, the Junior-Senior banquet, and the Junior class play. Ronald Bridges, Jake Overman, and Shirley Ingle were elected president, vice-president, and secretary-treasurer respectfully. Mr. Homer Keever, our homeroom teacher, proved to be most helpful in assisting us with our most important projects—the class play, "Apple Blossom Time," the annual banquet, and a trip to the state capitol. Although the arrival of our class rings brought many "ohs and ahs," smiling faces were seen around ole G. H. S. again after a few "tearful" days. With all projects completed with glorious satisfaction, the Juniors disbanded for a delightful summer vacation to await their turn at the "top rung" of the ladder the next term.

At last, after three long, hard-fought years, twenty-nine students, fully conscious of the responsibilities that were soon to befall them, entered into their final year. Competent officers were elected with Harlin Matkins in the president's spot, Carol Love in the secondary as vice-president, Sue Haley taking the "bookkeeping" spot as secretary, and Shirley Ingle managing the books as treasurer to keep account of the million dollars we expected to make. With the resignation of our former principal we were given Mr. Gerald D. James to guide us through our most important year. Enjoying "Senior privileges" and being honored by the Junior class with the Junior-Senior banquet at the Alamance Hotel, we then really felt like the "respected Seniors" we were supposed to be.

Work on the Yell-O-Jak, annual yearbook, the *Black and Gold*, school newspaper, and various other activities required much of our time. In May we went to Washington, D. C. on a five day tour, accompanied by Mr. James. Our Senior play, "Hold Everything," went over with a bang under the famed leadership of Mrs. R. H. Wynne, our home room teacher. Commencement exercises in the Spring climaxed a year of hard work.

And now, with farewell tears in our eyes and precious everlasting memories in our hearts, we leave old G. H. S. where we have built up many pleasant memories for the future.

Nancy Hoffman, Historian.

At Christmas, the Glee Club presented a program for the P. T. A., a cantata, entitled "Childe Jesus."

Because this is Miss Barney's first year in organized Glee Club work, we, the students of Gibsonville High School, feel that next year we will have a club that has shown much progress and one of which we will be proud.

The Glee Club has many more activities planned for the remainder of the year. With the assistance and interest of the P. T. A. and the community, it hopes to make music a vital part of the high school curriculum.

In the hot August sun of 1948 some twenty odd male students of Gibsonville High met on the athletic field and began work on what was to be the 1948 edition of the Yellow Jackets. After a hard week of conditioning, they brought out the equipment and really got down to business. This early practice paid off as the boys established the best record that has been left here in the three years we have played football. They finished the season with a record of four victories, three losses, and two ties.

BOYS BASKETBALL

Foreground: Dickie Huffman. First row, left to right: Carl May, Robert Hinton. Second row: Bobby Gerringer, Jack Smith, Donald Allred, Bernard Butler. Third row: Herbert Belvin, Bobby Farrington, Donald Overman, Coach J. S. Casey.

Among the boys of Gibsonville High in the opening session of basketball play, there came a flaming inspiration to stick with the "big five." Although the loyal supporters were a mere handful, Coach J. S. Casey strove to build them into a mighty team capable of competing in county-wide competition. A tribute must be paid to these boys who were proud and strong-minded enough to refuse to allow the books of G. H. S. to be marred with defeat.

It is with great pride that we acknowledge one of our leading teammen as highest scorer in Guilford County competition. Dickie Huffman, tall and tricky, flashed forth in every game to net a total of 196 points for the season, topping all other competitors by a slight majority. But there were others who were outstanding as well. Don Allred, Bobby Farrington, Bobby Gerringer, Carl May—all were leading factors in the play-by-play. Although exceptional praise is given only a chosen few, the team as a whole were "in there pitching."

As we turn away from one year and look toward the future, there is much to be said of possibilities. It is not only probable but reasonably possible that G. H. S. is in sight of a great "surge." A dream of basketball glory is in the air, and our many potential supporters are on the move to make that dream reality.

GIRLS BASKETBALL

Second row: Sylvia Wyrick, Joan House, Judy Christman, Emma Lou Sockwell, Sue Reid, Shirley Grayson, Annie Brothers, Ruby Hudgins (Manager). Words fail when we try to pay suitable tribute to these basketball heroines of Gibsonville High whose exploits on the court are now only a memory in our hearts. The lassies could have been called Blitz Kids, Kids of Destiny, Cinderella Kids, Squeeze Kids, "Quick Six with the Slick Tricks," and anything else you would care to add to that list. They were the best mannered and smartest lassies at adapting themselves to all defenses and offenses that has completed a season at our school in quite some time. The season of '48-'49, under the unexcelled coaching of Mrs. Owens, has been a thrill for these girls—but it has been a bigger one for we who have watched them

grow.

Clever floorwolk, ball-handling, and noticeable form spotlighted the first game of the season when the "Yellow-Jacket" girls, donned in Black and Gold, trounced the McLeansville lassies to the tune of 26-11. The girls were not satisfied with this victory and began to sting opponent after opponent. Near the end of the regular season they defeated Rankin on the latters home court by the overwhelming score of 50-36, proving that although they had dropped from a first place tie to fourth place, they still had a big chance in the tournament.

Their big chance in the Guilford County high school basketball tournament almost materialized. In the preliminaries they put on a last minute surge of power to gain a 24-18 victory over Stokesdale. Then came the quarterfinals and a bad break. The Guilford girls squeezed out a 33-30 victory over the stubborn Gibsonville six. Although such an abrupt end came to their successful season, the G. H. S. girls proved that Gibsonville is still a powerful contender in athletic competition.

BASEBALL

Front row, left to right: Donald Overman, outfield; Bobby Farrington, pitcher; Arnold Beckom, left field; Donald Allred, shortstop; Horace Isley, first base; Jack Flynn, pitcher; "Mimmie" Simpson, outfield; Dickie Huffman, pitcher and first baseman. Second row: Eugene Wheeler, manager; Jerry Shepherd, outfield; Carl May, third base; Billy Childers, center field; Braxton Belvin, catcher; Herbert Belvin, right field; Bobby Rudisill, pitcher; Bobby Gerringer, second base; Coach J. S. Casey.

"Take me out to the ball game!" That was the war-cry of the hard-hitting "Yellow Jackets" as they opened their 1949 baseball sason. But (to tell the truth, the whole truth, and nothing but the truth) it was the opponents who were taken out! In their first encounter of the season Gibsonville defeated Bessemer 1-0—the first time in nineteen long years that a G. H. S. team had accomplished such a feat. The highly favored Summerfield nine experienced the same disaster a few days later to the tune of 3-2. Elon went down to the score of 8-6. Although we could write a book about their diamond experiences, let's take a look at the material of which the squad was

we could write a book about their diamond experiences, let's take a look at the material of which the squad was composed.

Coach J. S. Casey boasted an excellent pitching staff—the best in many years. It consisted of three smooth-flowing delivery boys in the beginning with a lanky six-footer joining in as the season moved forward. Each, Flynn, Rudisill, Farrington, and Huffman, held all opponents at bay. Far be it for us to overlook lanky Braxton Belvin. His pep and enthusiasm behind the plate were felt by all spectators. Horace Isley, an all-around baseball natural, became one of the cleverest of Guilford County first basemen. Bobby Gerringer, second baseman, was a vital factor in Gibsonville's many triumphs with his hitting and smart infield play. At shortstop, Donald Allred kept all hot grounders well at bay. Carl May. the life of the Gibsonville nine, kept first base hot with his long across-the-diamond throws. Arnold Beckom, Bill Childers, and Herbert Belvin, alternating with Jerry Shepherd and Donald Overman, were steady, dependable, and ever-alert outfielders.

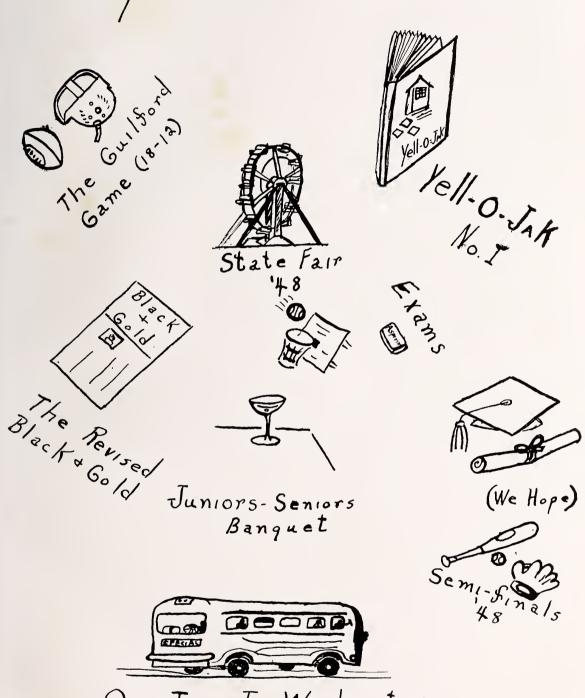

The second team worked as earnestly as the first-stringers, and we regret that space does not allow us more words with which to represent them. They did a wonderful job "yelling" us on to victory from the bench, which we hope many of them will evacuate in '50 to take their places in the upper ranks.

All the members of our school and community take off their hats with pride to a great high school nine—the '49 G. H. S. "Yellow Jackets!"

THE SENIOR CLASS

Expresses Its Deepest Appreciation to the Advertisers and Friends
Who Have Made This Issue Possible.

YES, teachers are vitally important to you, and to every good citizen—yet today, as you well know, there are far from enough fully qualified teachers in our schools. What can you do to help solve the serious school-teacher shortage?

YOU CAN DO THIS!

First: Check up on educational conditions in your local schools. Second: Work with civic groups and school boards seeking to improve teachers' working and living conditions. The joint effort of forward-looking citizens can and must save this situation—for the sake of our children and our country.
